

TORRACCIA DI PRESURA

CILIEGIOLO

varietal wine

This wine is part of a 6-varietal-wine collection produced in 2022.

Classification: IGT Colli della Toscana Centrale

Grapes: dark blue-violet early-maturing grape variety, originally from central Tuscany, it owes its name to its distinctive cherry aroma.

Vinification: the grapes are vinified in purity in small stainless steel vats at controlled temperature in order to enhance the vine's characteristics and the peculiarities that these grapes achieve in the soils of Torraccia di Presura.

Characteristics: violet-red intense appearance, full-bodied with distinct nose of cherries and black cherries, spiced hints of black pepper and juniper berries. Round, cool, clean mouth, with a moderate tannin content, quite persistent.

Alcohol content: 13% - 13,5 %

Service temperature: 18° C.

Pairings: traditional Tuscan starters with cold cuts and pate croutons, "pappa al pomodoro", Tuscan "ribollita" vegetable soup, pasta with game sauce or ragù.
